

# Cohesive Classroom Communities

## Standards:

This course aligns to all of the INTASC Standards including Learner Development, Learning Differences, Learning Environments, Content Knowledge, Application of Content, Assessment, Planning for Instruction and Instructional Strategies.

It also aligns to all of the McRel Teacher Evaluation Standards including Teacher Leadership, Diverse Learners, Teachers Know Content, Teachers Facilitate Learning and Teachers Analyze and Reflect.

This course helps teachers navigate mental health issues to build safe classroom environments and encourage optimal learning.

The first section is designed to educate teachers about collaborative instruction.

Taking this forward, the second section focuses on accommodating students with mental health challenges. This includes specific conditions like ADHD, ODD, Depression, and, Bipolar Disorder.

The third section focuses on the role teachers can play in preventing suicide. The creative techniques presented in this course can be used to build strong, understanding, empathetic, and caring students.
