How do you set strong boundaries with students in the age of social media? How do you report abuse or misconduct effectively? How do you minimize instances of plagiarism in the era of AI? As teachers, we experience a myriad of ethical dilemmas every day in the classroom, and it can often be challenging to navigate them effectively.

The Ethics in Education course provides teachers with an ethical foundation to analyze real-world scenarios, develop insights to make informed decisions in the classroom, and foster a positive learning environment for students. Whether you are a seasoned educator or just starting on your teaching journey, this course will equip you with the knowledge and tools necessary to address the many ethical challenges in today's educational landscape.
