

Child Abuse Prevention

Standards:

This course aligns to the INTASC Standards including Learner Development, Learning Differences, Learning Environments, Planning for Instruction and Instructional Strategies.

It also aligns to the McRel Teacher Evaluation Standards including Teacher Leadership, Diverse Learners, Teachers Know Content and Teachers Facilitate Learning.

Protecting children is the role and responsibility of every adult. This course helps educators maintain safe and secure learning environments.

Educators need to be aware of red flags indicating a child is being abused. The first section tackles this very sensitive issue and aims to equip teachers with the essentials of recognizing and preventing abuse and trafficking.

In the second section, educators learn how to prevent and respond to bullying.

The third section focuses on trauma-informed strategies teachers can adopt to help students regulate emotions, build resilience, and thrive both within and beyond the classroom.
