

Accommodations through UDL

Standards:

This course aligns to all of the INTASC Standards including Learner Development, Learning Differences, Learning Environments, Content Knowledge, Application of Content, Assessment, Planning for Instruction and Instructional Strategies.

It also aligns to all of the McRel Teacher Evaluation Standards including Teacher Leadership, Diverse Learners, Teachers Know Content, Teachers Facilitate Learning and Teachers Analyze and Reflect.

Teaching each and every student effectively is never easy. Teachers are faced with the challenge of teaching a diverse group the same lesson and ensuring that they all learn in the process.

This course is designed to present teachers with the Universal Design of Learning (UDL) framework, which builds on research that shows how a single teaching approach has very limited results on student learning, highlighting the need for a new curricular approach.

This course is centered around exploring practical strategies that can be used to add a much needed element of flexibility in teaching presentation, student expression, and meaningful engagement.
