

How to Teach Online for the Classroom Teacher

Standards:

This course aligns to the INTASC Standards including Learning Differences, Learning Environments, Content Knowledge, Assessment and Planning for Instruction.

It also aligns to the McRel Teacher Evaluation Standards including Teacher Leadership, Diverse Learners, Teachers Know Content and Teachers Facilitate Learning.

As educators, we know that technology is a means, and now a must, to enhance student learning.

In this course, teachers go through the process of preparing to teach online while also being introduced to a wide variety of helpful tools and resources.

Teaching in an online or hybrid classroom can be an uncomfortable adjustment for teachers, especially if they've never taught online before. But with the right training, classroom teachers can quickly become effective online teachers.
