

# IEPs: Documentation and Implementation for Teachers

## Standards:

This course aligns to the INTASC Standards including Learner Development, Learning Environments, Content Knowledge, Application of Content, Planning for Instruction and Instructional Strategies.

It also aligns to all of the McRel Teacher Evaluation Standards including Teacher Leadership, Diverse Learners, Teachers Know Content, Teachers Facilitate Learning and Teachers Analyze and Reflect.

The goal of this course is to help teachers get comfortable with and understand the Individualized Education Program (IEP) process. Through rich examples and templates, teachers learn to understand and incorporate recommended IEP strategies in a classroom setting.

Through developing, aligning with, and carrying out the IEP, teachers can provide children with an appropriate education in the least restrictive environment.

Teachers will examine various supports and services a student with special needs may receive for instruction and testing, explore regulations and requirements, and develop a collaborative team to improve education for children with special needs.
