

Core Academic Intervention

Standards:

This course aligns to all of the INTASC Standards including Learner Development, Learning Differences, Learning Environments, Content Knowledge, Application of Content, Assessment, Planning for Instruction and Instructional Strategies.

It also aligns to all of the McRel Teacher Evaluation Standards including Teacher Leadership, Diverse Learners, Teachers Know Content, Teachers Facilitate Learning and Teachers Analyze and Reflect.

Teachers play a critical role in identifying students who are struggling to learn and making targeted interventions. This is even more critical when students are exposed to higher standards in education.

This course provides educators with information about academic interventions through frameworks such as the RTI and beyond. The wealth of resources and classroom examples provided here enhances existing evaluation practices and provides effective and dynamic methods to assess students' work. The course also encourages teachers to collaborate and learn from each other.
