

Technology in Learning

Standards:

This course aligns to the INTASC Standards including Learner Development, Learning Differences, Learning Environments, Content Knowledge, Application of Content, Planning for Instruction and Instructional Strategies.

It also aligns to all of the McRel Teacher Evaluation Standards including Teacher Leadership, Diverse Learners, Teachers Know Content, Teachers Facilitate Learning and Teachers Analyze and Reflect.

Discover creative strategies to tap into classroom technology. The first section delves into research-based and classroom proven reading techniques that are fully supported by technology.

The second section presents the flipped classroom approach. Students are encouraged to take ownership by watching lesson videos on their own time and coming to class equipped to build upon their understanding of the concepts presented.

The resources, examples, and templates presented in this course help teachers plan and create efficient classrooms supported by technology.
